

# Code repository

The iOS app repo is available at: <https://github.com/alecgorge/iguana-ios>

The API server and web app repo is available at:

<https://github.com/alecgorge/iguana>

The OS X app repo is available at: <https://github.com/alecgorge/relisten-osx>

Our documents are going to be in a private repo, to keep them separate from the open-source nature of the code. We can invite you to the repo, we just need your GitHub username: <https://github.com/kirbyk/CS307---Iguana-Team>
